Reading  
Program**

**2019**

**June 13 - July 25**  
Thursday @10:30

Pre-registration is required  
No programs during July 4th week

**A UNIVERSE OF  
STORIES**

Please join us for a special story time designed for our youngest library users. Nurture a love for books early by engaging them with new sights, sounds, and interactive songs, bouncy rhymes, and very short stories. It's never too early to build pre-literacy skills. If your child just wants to play, no worries, toys are available.

**Ask about other  
programs that are fun  
and free for summer**
