## Laptop & Tablet Classes

Computer Basics Classes are back! Join us to learn how to use a Laptop or Tablet. Classes require pre-registration and spaces are limited. Stop by the Valdese Public Library or call 874-2421 to register.

### Laptop Basics for Windows 10

Tuesday, May 15, from 11 am to 1 pm  
at the Valdese Public Library

A two hour introduction to laptop computers and Windows 10. Learn how to use the laptop, practice internet safety, and more. Spaces limited, and pre-registration is required. No experience necessary. Laptops provided.

### Microsoft Word Basics

Thursday, May 17, from 11 am to 1 pm  
at the Valdese Public Library

A two hour introduction to Microsoft Word (using Office 2016). Learn the basics of how to use the program. Basic laptop, mouse, and keyboard skills or attendance at Laptop Basics Class suggested. Spaces limited, and pre-registration is required. Laptops provided.

### Tablet Basics for Android

Friday, May 18, from 11 am to 1 pm  
at the Valdese Public Library

A two hour introduction to Android tablets. Learn how to use the tablet, practice internet safety, and more. Spaces limited, and pre-registration is required. No experience necessary. Tablets provided.
