

COOL KIDS GRADES 3RD to 5TH FEBRUARY EVENTS

February 1, 2018 4pm

Local magician Wendal Wandell will be at the Morganton Public Library to present a Magic Workshop. The workshop is free, and materials will be provided. Bring a friend, and learn a few new magic tricks to share! Pre-registration is required.

February 8, 2018 4pm

Join us for another fun Hour of Code! Using the program SCRATCH, we will Build Our Own Story. There will also be free time to create your own coding projects. Pre-registration is required.

February 15, 2018 4pm

During our BeTween Café event we will team up, and make an Amusement Park using a Discover STEAM set! This set covers simple machines, structures, Newton's Laws, Renewable Energy, and Programming Robotics. Pre-registration is required.

February 22, 2018 4pm

Have you heard about the 5-2-1-0 program? The program includes 5 servings of fruits and vegetables a day, 2 hours or less of screen time a day, 1 hr or more of physical activity a day, and 0 sugary drinks. Meet a Health and Wellness coach from Carolinas Healthcare System to find out more about this program for children, and their families. Pre-registration is required.
