

Burke County Public Library

LIBRARY EXPLORERS GRADES 3RD to 5TH MARCH EVENTS

March 2, 2017 4pm

During Reluctant Reader bookclub we will be reading from *How to Eat Fried Worms* by Thomas Rockwell. After our book discussion and written activities, we will have an Earthworm Relay (using Real Worms). Make a Worm Terrarium for your worm that you will take home. Mud/Dirt Cups will be served for snack. Pre-registration is required.

March 9, 2017 4pm

Naturalist from Grandfather Mountain will be at the library today to present the Niches and Habitats program. During this program we will learn what a habitat and niche are for different animals. Also take a look at some of Grandfather Mountain's educational animals, real animal skins, skulls, antlers, and feathers. Pre-registration is required.

March 16, 2017 4pm

Hang out upstairs in the Young Adult Area and enjoy the BeTWEEN Café. Art, games, puzzles and more. Interact with teens at the library, and learn more about the Young Adult program. Bring a friend, or bring your homework! Pre-registration is required.

March 23, 2017

Do you like cooking, and do you like cupcakes? If so, you will want to join us for the Cupcake Foodie Challenge! Work in teams to make creative cupcakes from start to finish! While our cupcakes are baking, we will watch cooking shows. Please remember to bring one of your favorite recipes to swap with others in the group.

March 30, 2017 4pm

Learn about Binary Images in Hour of Code. Though many people think of binary as strictly zeroes and ones, information can be represented in a variety of binary options. This lesson takes it one step further as it illustrates how a computer can store images and colors in binary as well. After our lesson, using the library's tablets, we will explore various coding games on code.org. Pre-registration is required.
