POLICIES, POINTS, & PRIZES

1. General Registration for the 2017 YA Summer Reading Program begins **Monday, May 15, 2017** at all Burke County Public Library locations.

2. This program is exclusively for **rising middle, middle, and high school students**. Students must have a valid library card.

3. Upon SRP Registration, in order to keep the teams balanced, the participant will **randomly DRAW for their team** at the circulation desk of their library. **Once they have been assigned a team, changes will not be permitted.** (Just because you may not be on your best friend's team, does not mean you cannot participate in programs together!)

You will earn points for your team during the summer through reading and reviewing books, program participation, and contributing to the service project.

4. **Points and Prizes:** (You must be present at the Prize Night at Catawba Meadows Park on **Thursday, July 27** in order to receive prizes, **no exceptions.**)

a) Participants from the team with the most points at the end of the Summer Reading Program will be entered into a drawing to win a **\$100** cash prize.

b) For every book read and reviewed **accurately*** on a critique sheet, you receive points for your team. ***A minimum of two complete sentences must be written for each book read.** For every **6** books read and critiqued, you are put into a drawing for a **PS4 gaming system** and an **Amazon Fire HD** given away at the Prize Night on Thursday, July 27th at 6pm.

c) Points will be given to your team for every program you attend during the summer. You must sign in at all programs in order to get credit for participation. If you attend at least **7** of the programs, you will be entered to win a **\$100** cash prize.

d) Points will be awarded to your team each time you donate to our **Community Service Project** throughout the SRP; details at each library.

e) Failure to notify Young Adult Staff **24 hours before** an absence to a **sign-up program** will result in a loss of **100** points for your team.

f) Various opportunities throughout the SRP will enable you to earn extra team points. (See description of each program.)

5. **Sign-up Programs:** Participants may register for **ONE** sign-up program at **Opening Night on June 12.** (Please see back of flyer for very important details regarding Sign-up Programs.)
