

Kindness Project

Saturday, July 22nd

2:30-4:00pm (drop in)

Join us at the Morganton Public Library to make “sock babies” to be donated to local neonatal intensive care units.

The purpose of the sock baby is to provide a bonding experience for parents and baby while the baby is in the hospital. The parent will keep the sock baby with them to transfer their scent and then the sock baby can be placed with the baby. The parents scent will help the baby feel secure when their parent cannot be there. This is a very easy project that anyone can do. There is no sewing required! All materials will be provided.

No pre-registration is required.

Please contact 828-764-9274 for more information!
