

Morganton Public Library Play Group
Every Monday 11am
April 4 - May 23
Birth-3 yrs old

Face masks preferred, but not required.

No registration required.

Why is play important?

Children learn through play. Playing together strengthens the relationship between you and your child. Play also supports social development by helping children interact with others, learning to share and get along.

Morganton Public Library provides an open safe space for children and their parents/caregivers to play.
