

Project Bumble Tree

This holiday season the Burke County Public Library is once again partnering with the community for **Project Bumble Tree** to benefit the residents of health and rehabilitation centers across Burke County.

To get involved, choose a **Bumble** from the tree and register at the circulation desk. You will be given a “Bumble Bag” to fill, decorate and return, along with a list of suggested (but not required!) items.

Be sure to bring your bag back by December 13!

*Drop-off dates are from November 17 - December 13
at any of our library locations.*

Our goal this year is for 100 “Bumble Bags” to be filled!

For more information call your local library or visit us online at bcpls.org.
