March 5 @ 4pm
Let’s learn all about weather! Rain, sunshine, wind, and snow, does anyone know what the weather will be today? Try out a few weather experiments, and make your own rainstick to take home.

March 12 @ 4pm
St. Patrick’s Day is coming soon! Will you be able to catch a leprechaun? Make a leprechaun trap to take home and see if it works! We will also make shamrock sunglasses, and a dancing leprechaun to take home. Happy St. Patrick’s Day!

March 19 @ 4pm
Let’s celebrate National Scribble Day a little early! Find out why scribbles are necessary, and important, and design your own scribble monsters on mini canvases and rocks!

March 26 @ 4pm
Bring your baskets, and join us for an Easter Egg Hunt! We have extra eggs to find this year! After the egg hunt, we have bunnies, chicks, and Easter egg crafts to make! Happy Easter!
